

# GEORGIA ASSOCIATION OF NURSING STUDENTS

**This is year we are partnering with HOPE Atlanta for our GANS Community Health project!**

HOPE Atlanta is an organization that has helped thousands of people in over 28 different counties all over Georgia. HOPE Atlanta's goal is to make homelessness rare, brief, and nonrecurring. This organization has many programs such as supporting individuals with disabilities, assisting veterans with housing, and HIV/AIDS education. We hope that you will consider a contribution to HOPE Atlanta in honor of your work and to provide assistance to this very important life-line for some of the most vulnerable and housing-challenged across the city.

**Check out their website to learn more about their organization and what they do for our community!**
